SERVICE ALERT**

**A Chara,**

**We would like to advise you that having checked our records it appears that you purchased equipment more than one year ago that has not been serviced.**

**To maintain your insurance cover and warranties all equipment has to be serviced on an annual basis. From a Health and Safety perspective we strongly recommend that you act immediately to protect your staff and students.**

**Upon completion of any service work we will issue paperwork to show compliance with statutory requirements or advise on whatever remedial work which is required.**

**If you would like to discuss your exact requirements or put a service plan in place please contact Nicola on 01-8223355 or [nicola@centraltechsupplies.ie](mailto:nicola@centraltechsupplies.ie)**

**Thank you for taking the time to consider this and we look forward to being of service to you.**

**Yours sincerely,
